

GES students are participating in the “Hour of Code” activities during the next few weeks!

Here are some resources for you to explore with your child:

- Video clip: [What Most Schools Don't Teach](#)
- [Free Coding Course](#) for elementary students
- [Angry Birds](#) fan? Then, start coding now!
- If you loved [Frozen](#), learn to code with [Anna and Elsa!](#)
- BrainPop free activities: [Blockly](#) and [Tynker](#)
- *Made with Code* offers free activities:
[Holiday Lights](#) and [Make your own avatar](#)

Happy Coding! Any questions? Contact Mrs. Parker at cparker@region15.org
