Many hands make light work! In order to make this day a success, we need quite a few volunteers. This is to insure the safety of our kids so that EVERYONE can have a good time! We especially need men and women to help with the tennis courts, basketball court and volleyball area. If you can set up some structured games and teams, that would be excellent! Other volunteers include extra eyes on the pool (lifeguards are present), manning the snack table and helping take pictures for the photobooth!

Please sign up for all or part of the day here. If you cannot volunteer for any specific part of the day, but want to stop by and say hello, we would love to see you! Feel free!

THANK YOU in advance!
