Dear Parent(s),

Our class has been rehearsing for a performance of *A Midsummer Night's Dream* and *Twelfth Night* by William Shakespeare. Although participation in the performance has been voluntary, this is a classroom event to which all are invited, and I hope that you and your family will be able to attend.

I would like to schedule our evening performance for one of the dates below. The performance will be held at **7:15 P.M.** in the **Gainfield Media Center (students should arrive no later than 7:00 P.M.)**, and the performance will run approximately an hour.

If you would consult your family schedule and **place a check mark next to all of the dates that would be possible** for your family to attend, I would appreciate it.

**Please return this form to me by Wednesday, May 13.** I will schedule the performance for the evening that accommodates the greatest number of families.
