Re: Veterans Day 2014

This year Gainfield Elementary School will be honoring Veterans Day in very special ways. We will have the opportunity celebrate the contributions of local veterans to our history on November 11<sup>th</sup>. We will be celebrating Veterans Day with many school activities including classroom visits from local veterans, writing letters of appreciation to veterans, and finally a whole-school tribute to the veterans.

One very important part of our celebration will be the creation of a Veteran's "Wall of Honor" that we will display inside our school. The display will included the names of veterans who were related to the families of Gainfield students, or other families of the greater school community.

If you would like to add a family member's name to this year's "Wall of Honor," we need you to complete the form on the other side of this letter, and return it to school as soon as possible, but no later than **Friday, October 31<sup>st</sup>**. Feel free to duplicate the form if you require more for family members.
